“To be Flamenco is to have another skin, other passions, other desires. It is a different way of seeing the world, with music in ones nerves, a fierce pride, happiness mingled with tears; it is a loathing of routine and sameness; it is to be intoxicated in song, wine, and kisses. It is the translation of life into an art of caprices and freedom.”

~ Tomas Borrás

**With Guest Artists: Kati Mejia, Geoffrey Hawkins,
Francisco Gaona, and More!**
